**Rocky Point, New York:** Legislator Sarah Anker joined in with sponsors and supporters of Rocky Point's Relay for Life to celebrate activities on June 10th. She presented a Certificate of Appreciation to the Rocky Point group, which has raised over \$130,000 this year, for their commitment to raising cancer awareness in the community.

Legislator Anker stated "I am honored to be present in this important and touching community event. Having lost a loved one to cancer, I will continue to strongly advocate for those who need assistance, the prevention, and hopefully the cure of this horrific disease."
